Dear Dr. Binggeli,

As Stephen B. Muzzy is currently the School & Community Liaison for the Viera Charter School and as he once again has access to Brevard Public School resources, I will ask you to now answer my unanswered question to you of September 3, 2010.

The question is attached.

Thank you,
Bill Roth

Dear Dr. Binggeli,

Recent revelations of misconduct by your assistant superintendent of educational technology for Brevard Public Schools have served to heighten my concerns over potential misuse of personal information contained in the Brevard Public Schools database. My concern also applies to certain related Florida Profit Corporation databases you have endorsed.

A year ago, on August 31, 2009, I wrote you expressing those concerns and asking why you as the Superintendent of Brevard Public Schools were making an endorsement on behalf of a Florida Profit Corporation for the solicitation of my personal family information that, once obtained, may fall within the public domain.

I am now compelled to sharpen my previous question: As the Superintendent of Brevard Public Schools, what have you done to ensure that the Brevard Public Schools database you manage as well as the Florida Profit Corporation databases you have endorsed have not fallen into the hands of predators such as organized child pedophilia and child prostitution enterprises?

Thank you,
Bill Roth

Assistant superintendent resigns after inquiry.

Steve Muzzy, assistant superintendent of educational technology for Brevard Public Schools, resigned Tuesday.

Muzzy, 49, left the district after an investigation found he asked a coworker to alter records from his work-issued cell phone, according to school district documents.

He did not resign, he would have been fired for misconduct, Deputy Superintendent Lee Berry said.

Muzzy spent seven years with the district and was in his former position since 2005.

Sandy Crews, system and security manager, will take on his responsibilities until a replacement is hired.

Attachment 1 End

An August 27, 2010, posting by WFTV.com states in full:

District–Issued Phone Used To Make Sex Calls

BREVARD COUNTY, Fla. — An assistant superintendent for Brevard County schools resigned Friday. The district said he admitted to calling phone sex numbers with his district-issued cell phone.

Stephen Muzzy was one of the top officials with the school district in charge of educational technology. Muzzy allegedly tried to cover up the calls, he's accused of asking another employee to destroy the phone records of the sex lines.

Muzzy resigned from his job, making $116,000 a year, amid the allegations he tried to get another employee to destroy district records.

"It's very disappointing, actually kind of disappointing for the district," said Christine Davis, Brevard Public Schools.

The allegations stem from a phone bill that shows he used his district-issued Blackberry to call sex lines and call-girls. When WFTV caught up with Muzzy at his home he admitted making the calls, but he would not say who he was calling.

"I made some inappropriate calls," Muzzy said.

"What do you mean you're not sure what the calls were? You said you weren't sure what the calls were," WFTV reporter Jason Allen asked Muzzy.

"Honestly do not. The calls were inappropriate. The calls were inappropriate," he said.

"Were they escort services?" Allen asked.

"I don't believe that's what they were," Muzzy replied.

Muzzy’s also accused of asking another employee to destroy phone records and the district said he admitted it, but he told WFTV it was taken out of context.

"I had asked what the possibility was of removing those from the phone bill," Muzzy said.

The district recommended firing him. Instead, he resigned. In fact, Thursday, he went to district headquarters to clean out his office.

Muzzy faced similar allegations on a school trip in 2008, but in that case he used the hotel phone and someone had the charges removed. That complaint was considered unfounded.

If Muzzy had been fired after admitting felony official misconduct, he could have lost his pension for his 12 years with the district.

Subject: RE: Endorsement of "Whole Child Connection"

Page 4 of 5

1/30/2014

Superintendent of Schools
Brevard Public Schools
2700 Judge Fran Jamieson Way
Viera FL 32940
321-631-1911 ext. 402
321-635-3402

Dear Dr. Binggeli,

Based on the trust my family places in the Superintendent of Brevard Public Schools, it concerns me that you are making an endorsement on behalf of the “Whole Child Connection” for the solicitation of my personal family information that, once obtained, may fall within the public domain.

Points of my concern are as follows:

I noticed that the only data one is required to provide to the “Whole Child Connection” in order to “Get Started” answering questions is a “Zip Code” and a “Family income.”

I noticed that the questions being asked seem to be of a very personal nature. Examples are, “Do you need to overcome extreme stress?”, “Are you pregnant? If yes…”, “Do you need an attorney or have outstanding legal concerns that you would like to speak to a legal professional about? If yes…”, and so forth.

I noticed your home page of the Web site for the Brevard Public Schools states, “Information collected from the Whole Child Connection® will be used by Brevard’s leaders to improve the quality of life for all of us.”

I noticed that there is no authentication by you of the enterprises that are collecting the information, or of the enterprises that would receive the information once collected.

I noticed in an e-mail I received yesterday that you are prominently featured pictorially. A caption to your head shot states in part, “BPS is proud to be affiliated with the Whole Child Connection.”

So I ask, “Why are you making an endorsement on behalf of the ‘Whole Child Connection’ for the solicitation of my personal family information that, once obtained, may fall within the public domain?”

Thank you,

William Roth

Libelous Statements Regarding Stephen B. Muzzy

Dear Mr. Roth:

This law firm represents Stephen B. Muzzy in the above-referenced matter. Pursuant to section 770.43, Florida Statutes, you are hereby notified that the posts on page 5 of the February 17, 2014 issue of Brevard Business News are false and defamatory.

Specifically, you printed an email that you had sent on November 19, 2012 asking the Brevard Superintendent of Schools to answer your question about whether Mr. Muzzy should have access to public school resources. You attached a prior email from September 2, 2010 in which you cite “recent revelations of misconduct” by Mr. Muzzy and asked whether the Superintendent could “request that the Brevard Public Schools database you manage and as well as the Florida Office of Education database you maintain be removed” from the hands of predators such as organized child pedophilia and child prostitution enterprises.” Attached to that email was a clip from Florida Today stating that Mr. Muzzy “resigned after inquiry.”

Your inclusion of the terms “organized child pedophilia” and “child prostitution enterprises” are factually incorrect statements ascribed to Mr. Muzzy but constitutive declarations per se and will subject you, your wife (the publisher), and your newspaper to punitive damages. Furthermore, Mr. Muzzy is a private figure who is not employed by Brevard Public Schools and has no access to its database.

To Be Continued...
Notice: The following is the MCOA policy on Background Checks and Badges for Sports Officials.

Recently, the Florida Legislature added a requirement that non-instructional contractor employees of Florida schools be issued a state badge to be displayed when on school property. Non-instructional contractor employees includes sports officials. As applied to sports officials, displaying the badge means having it available for display when officiating. The badge requirement is in addition to the requirement for a background check. The Brevard School Board requires sports officials to have a current background check before officiating. Current means a background check within the past 5 years.

Each sports official is individually responsible for complying with the background check and badging requirement. To obtain a background check or badge, the official applies in person at the school district office in Viera. The cost for the background check is about $78.50. The cost for the state badge is $10.00. The MCOA strongly encourages all officials to comply with these requirements.

The MCOA will be using Arbiter for Scheduling. For HELP in learning how to use Arbiter CLICK HERE:

GROUNDBREAKING CEREMONY

Saturday, November 17, 2012
10:00 a.m.
6206 Breslay Drive
Viera, Fl. 32940

Welcome

Thank you for joining us to celebrate the groundbreaking of the Viera Charter School. A Science Technology, Engineering & Math focused curriculum that will be rigorous and exciting for our children. We invite you to get involved and stay involved. We do need you to be successful. We are counting on your help and we want to be a school that you will be proud of. This is a public school; I like to think of this as a choice school that happens to be a charter. Your board of directors and management company pledge to you that we will always keep our children first and we will always be ethical in our processes and financial responsibilities.

We are grateful for your generous support in making this vision a reality. And we look forward to the future we will build together at Viera Charter School.

BY CARL KOTALA

It’s time to crown a few more champions, which is certainly what the Viera/Suntree Majors all-star team did last year, winning the state championship and advancing to the Southeast Regional tournament in St. Louis. Most of these players are now on the junior level, which begins in 14 years old.

The teams were announced June 15, with All-Star play beginning the end of June and continuing through July 9 for the Majors, with games at the Viera Sportsplex.

“The most exciting part for us is the competition,” said coach Mitch Ahrendt. “We’re excited about our junior team because we have a lot of talented 14-year olds as well,” he said. “We’re going to see if the 12-year olds can compete.”

All the Majors teams will find out if they will be the 9-10-year-old All Stars. Because the league had 15 teams competing for 9-10 spots, it is going to look for two different age groups – the Junior and Senior teams.

Coaches are now stepping up and saying that the Majors league should be a home run for the Majors team, which is the teams’ goal. The Majors team is looking for the Thundering Herd, which has been the model for the All-Star teams.

To Be Continued...
Hi, everyone!

This is Cris Smith. I am the president of Viera/Suntree Little League. I am writing to address something that transpired last week.

I am not addressing the entire league about it because I don’t want to start a firestorm, but I feel like you deserve an explanation of the events since your teams are directly effected.

Last week, around Monday or Tuesday, Joe Pallante emailed me to tell me that he was stepping down as the VP if machine pitch and that he was also withdrawing his children from the league due to personal reasons. That is all he said. Since this is a volunteer organization, I am used to people stepping down due to personal issues. I felt it was weird that he was pulling his children, but I did not ask any questions. Members of the Board just set out to replace him.

Bart Baxter stepped up to be the VP of machine pitch. Jeff Virsik stepped up to take the machine pitch team that Joe was managing. And Dan Roman stepped up to take his tball team. I want to stop and say THANK YOU to these guys for so quickly volunteering to handle these positions. Your time is valuable to us, and we greatly appreciate your willingness to help us in our time of need!

These people were all in place and ready to take over by Friday. Saturday morning is when I found out the real reason Joe Pallante stepped down. By now, since news travels so fast, you probably already know this reason. But, for those of you who don’t, Joe was arrested on Friday for child molestation. I got a call early Saturday morning about it. I checked the Sheriff’s Office website where you can see the recent arrests, and there he was.... Since then, the only bit of information that I received on the matter is that the victim was NOT a child from VSLL.

Little League International has very strict rules about doing background checks on anyone who volunteers with the children of their leagues all around the world. We collect volunteer applications every year from the people who work with our players. No one goes on the fields with the children unless they have submitted a form and has been cleared. This is where VSLL’s badge system comes into play. When games begin, you will notice that everyone who is on the field will be wearing a brightly colored badge. This badge indicates that the person has submitted a volunteer form and has been background checked and cleared. If there is a person who is on the field or in the dugout during games who is not wearing a badge, the Board Member on Duty will ask that person for his or her badge. If the person cannot produce it, they will be asked to leave the field. Managers, 2 assistant coaches, and team moms are issued the badges and are the only people allowed on the field or in the dugout during games. At practices, more parents are allowed to help on the field. They are not issued badges, but they ARE required to send in a volunteer form to be background checked. This is the manager’s responsibility to make sure everyone he or she has helping with practices are cleared because we cannot have a Board member out at every practice for every team.

As for the situation with Joe, he has been a part of VSLL for a long time. He has been background checked every year since I have been the president. He has always been cleared. This Spring, our background checks were due to be processed this past weekend - one day after the arrest. Two weeks ago, we ran a check of the Florida Sexual Offenders and Predators website AND of the US Department of Justice National Sex Offender registry (www.nsopr.gov). There were no red flags for us. We run checks of these websites on a regular basis. We do not take this lightly.

Since Joe had already stepped down, and he had already been replaced, there was no need to take immediate actions to remove him. He did this on his own.

As I stated above, I am not addressing this issue to the entire league, but I did want to try and calm your nerves about having had him as your manager. Up until Friday, he had never been arrested for anything like this. Had he had prior arrests in this sort of manner, he never would have been a part of our league.

The safety of your children is a major priority at Viera/Suntree Little League as it is with Little League International! We take every precaution available to ensure that your children are safe when they step onto our fields. Rest assured that we would never knowingly put your children in harm’s way. Speaking as a mom, this has been my #1 priority since I took over because I have children in the league too. I want to know that I know that I know they and all 650 other players are safe!!!

I have given you all of the information that I know. If you have any questions, please do not hesitate to ask.

Have a good day!

Cris Smith
President, VSLL

Partnership Strengthened Between Brevard Public Schools and the Brevard County Sheriff’s Office

VIERA: Brevard Public Schools and the Brevard County Sheriff’s Office have enhanced their current security partnership effective July 1, 2014. The increased partnership provides BPS with a highly trained law enforcement lieutenant who will provide leadership for the Office of District Security to improve communication and coordination between the district and all local law enforcement agencies. This unique collaborative effort is designed to enhance safety and security on school and district sites, while increasing learning opportunities for students, parents and staff. “We have always enjoyed a strong partnership with the BCSO and this next step is the right direction,” states superintendent of schools, Brian Binggeli.

Leaders believe that one immediate advantage will be an enhanced interface with all local law enforcement agencies offering a seamless communication and response system, joint training opportunities, and a uniformed presence at major school and district functions. The partnership will reduce operational costs for both the district and BCSO through the elimination of the director of district security position, which will be replaced with a BCSO lieutenant. “This is an exceptional opportunity to partner more closely with the BCSO and our law enforcement community to enhance the safety for our students,” Binggeli continues. “Ms. Alford has provided dedicated service to the students of Brevard County and we thank her for the years of support to this department.”

The benefits are not one way. The Brevard County Sheriff’s Department will gain increased coordination and participation opportunities for all School Resource Officers and more direct communication with students, parents and staff members pertaining to school and community safety issues. Sheriff Wayne Ivey stated, “This valued partnership is a complete win / win for Brevard County citizens. In our discussion with Superintendent Binggeli, a creative concept was envisioned to go well beyond past practices. This collaborative effort creates an effective solution for safe school strategies and most importantly, safe learning environments for our students, educators and staff. I commend the leadership of the Superintendent and the School Board for their commitment to the safety of our most valuable resource, our children.”
Sheriff Wayne Ivey stated, “I would like to personally commend the leadership of the Superintendent and our School Board Members for their commitment to the safety of our children, teachers, administrators and employees. This program is an excellent example of partnerships, working together to protect our community.”

For information concerning this initiative, please call Deputy Maria Fernez at 321-636-4665.

###

**Sheriff’s Office and Brevard Public Schools Launch New Security Initiative**

The Brevard County Sheriff’s Office is pleased to announce an enhanced security initiative with the Brevard Public Schools and our entire Public Safety community. Last night, during the Brevard Public Schools Board meeting, a valued partnership was unanimously approved that is a complete win/win for our citizens with a strong emphasis on protecting our most precious resources, our children.

Over the course of the last several months the Sheriff has worked closely with Superintendent Binggeli and his Staff to create a new “School Security” concept that goes well beyond past practices. This collaborative effort creates an effective solution for safe school strategies and most importantly, safe learning environments for our students, educators, volunteers and staff.

This newly developed partnership provides Brevard Public Schools with a highly trained Sheriff’s Office Lieutenant that will now oversee District Security. The initiative will immediately work to enhance communication and coordination between Brevard Public Schools and all Law Enforcement agencies. A partnership designed with the complete and unanimous support of our Brevard County Chiefs of Police and their respective agencies.

This unique collaborative effort is designed to enhance safety and security on school and district sites, while increasing learning opportunities for students, parents and staff. The immediate advantage will be an enhanced interface with all local law enforcement agencies offering a seamless communication and response system, training opportunities, and a uniformed presence at School and District functions.

This new partnership reduces operational costs for both Brevard Public Schools and the BCSO through the elimination of the Director of District Security position, which will be replaced by BCSO Lieutenant Mike Scully. Lt. Scully’s position will be funded by both Brevard Public Schools and the Sheriff’s Office. Lt. Scully is a 30-year law enforcement veteran with exceptional skills in law enforcement administration, patrol, site security, and crime prevention.

The Schools and the entire Public Safety community will gain increased coordination of the School Resource Program and a more effective communication process with students, parents and staff members pertaining to school and community safety issues.

Satellite Beach Police Department
Jeff M. Pearson
Chief of Police

DATE OF PRESS RELEASE:

Date of incident: July, 2013
Location of Incident: Satellite Beach
Agency Case #: 2014-10001
Contact Info: Satellite Beach Police Chief Jeff Pearson or Commander Brad Hodge

On Wednesday, March 6, 2014, the Satellite Beach Police Department completed a lengthy investigation into allegations of Felony Child Abuse and Felony Failure to Report Child Abuse. As a result of the investigation, an arrest warrant was obtained for the defendant, Jason John Burchfield (details below). The warrant outlines that on three separate occasions in 2013, BURCHFIELD visited a male friend in Satellite Beach who has a minor, step-daughter (under 14 years of age). On three separate visits, the minor female was made to undress and be completely naked in the presence of the men for hours at a time, while being forced to consume alcohol, including vodka. BURCHFIELD acknowledged he was in fact present and confirmed the victim’s allegations. BURCHFIELD is currently employed as a teacher with the Brevard County Public Schools, which requires him by law to report such activity. Investigators do not believe that any criminal events occurred on school property.

BURCHFIELD was charged with:

3 Felony Counts - Child Abuse, Florida State Statute - 827.03 (1)(b)
3 Felony Counts – Failure to Report Child Abuse, Florida Statute – 39.205 (1)

Bond: $36,000

Information regarding his employment status should be obtained through the Brevard Public Schools in Viera.

Dear Laura,

Pursuant to Peter Antonacci’s letter to me dated 9/16/13, please be advised that the 18th Judicial Circuit Nominating Committee has convened and concluded our interviews as of today. Below are the names of the 6 individuals we are submitting to the Governor for consideration of the open County Court seat as a result of Judge Kelli J. McKibben’s appointment to the Circuit Court effective 9/16/13.

I would appreciate you disseminating this information to the appropriate individuals. Please advise if there is anything further you need me to do in my capacity as Chair of the committee.

Landman received his law degree from the University of Florida in 1987 and worked for one of Brevard County's largest law firms until 1993 when he started his own highly successful practice in criminal and family law.

-END-

Eastern Florida State College is committed to engaging our diverse population in quality, affordable, accessible learning opportunities which successfully meet individual and community needs.

Gov. Scott Reappoints Trustee Chair Alan Landman to New Term

BREVARD COUNTY - Gov. Rick Scott has reappointed Alan Landman to another four-year term on the Eastern Florida State College Board of Trustees.

Landman, a Melbourne attorney who serves as the board’s current chair, has been instrumental in expanding the college’s mission to offer its first Bachelor Degree programs starting this month.

He also played a central role in choosing Eastern Florida State College as the new name for Brevard Community College to reflect its transformation into an institution serving Brevard County and the entire Central Florida region.

“I want to thank Gov. Scott for the honor to continue helping Eastern Florida move into a future that will greatly benefit our students, our community and our region,” said Landman.

“It’s a privilege working with my colleagues on the board, all of whom share my commitment to make certain that Eastern Florida remains among the top colleges in Florida and the nation.”

Former Gov. Charlie Crist appointed Landman to the Board in 2009 and he was named chair in August 2011.

In another area, Scott also reappointed Landman to another term on the 18th Circuit Judicial Nominating Commission where he was named chair earlier this month.

The commission is charged with reviewing applicants for open county court and circuit court judicial posts and recommending candidates to the governor who makes the selection.
